## How to sell & demo

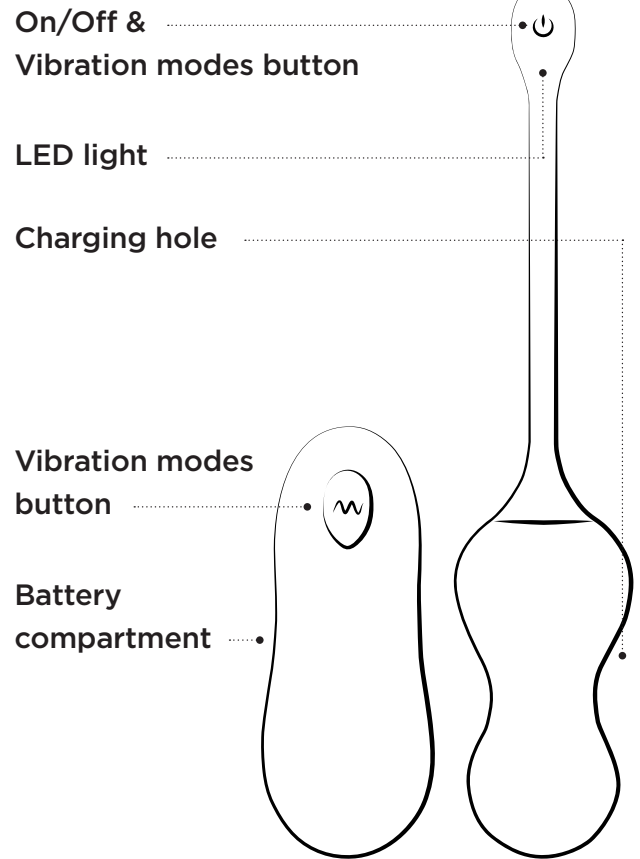

1. Tell your audience that ROMP Cello is a G-spot egg vibrator designed to add pleasure to solo or partnered play.
2. Demonstrate ROMP Cello's simple one-button controls: long press for 2 seconds to turn the toy on, then click to cycle through the 6 intensity levels and 4 vibration pattern modes. Long press again to turn it off.
3. Explain that ROMP Cello can also be controlled with the ABS & PU-coated remote control. The remote also uses simple one-button controls: After the toy has been turned on, briefly press the button on the remote to cycle through the 6 intensity levels and 4 vibration pattern modes.
4. Note that ROMP Cello is coated in silky-soft silicone, made without phthalates, BPA or latex. These materials are durable, skin-friendly and feel great on the body.
5. Explain that ROMP Cello is waterproof, so it can be used in the bath or shower.
6. Mention that Cello is rechargeable - just plug in the USB cable and rev it up for another use.
