

ROMP Mosh

What is it?

ROMP Mosh is a manual stroker with two different textured pleasure surfaces to heighten masturbation and create a blowjob-like sensation. No batteries, no fuss – just a silky-smooth, slippery feeling, whenever you want it.

Key Selling Messages

- **Deep Throat** – designed to recreate the unique pleasure of deepthroat, solo or with a partner.
- **The Best, Made Better** – ROMP Mosh elevates a blowjob to an art form, like nothing you've ever experienced.
- **Stroke of Good Fortune** – the internal bumps and textures wrap you up in panoramic pleasure.
- **Flip It & Reverse It** – the sleeve is reversible, so you can experiment with sensations and prolong its life.
- **Safe Hands** – ROMP Mosh is body-safe, latex and phthalate free, easy to clean, and comfortable to use.

How to play

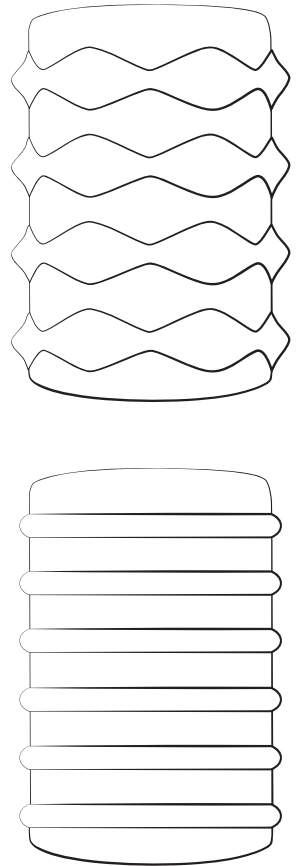

1. Apply water-based lube to ROMP Mosh and place it at the base of the shaft.
2. Raise and lower ROMP Mosh up and down the shaft in a stroking motion.
3. Twist ROMP Mosh from side to side for extra sensations.

ROMP Mosh

How to sell & demo

1. Tell your audience that ROMP Mosh is a reversible manual stroker – no batteries required.
2. Describe how to use ROMP Mosh – simply apply lube and slip it over the penis. Stroke the toy up and down the shaft to enjoy the slippery feeling of the soft sleeve.
3. Explain that ROMP Mosh is reversible – just flip it inside out to enjoy whichever of the textured pleasure surfaces you like.
4. Note that ROMP Mosh is soft, made of flesh-like TPE for a silky, realistic feeling.
5. Mention that ROMP Mosh is very easy to clean – all it needs is running water and soap or toy cleaner.
