ROMP Riot

How to sell & demo

1. Tell your audience that ROMP Riot is a bullet vibrator designed to give powerful clitoral pleasure.
2. Note that it's coated in silky-soft ABS with an ultra-hygienic silicone cap. These materials are durable, skin-friendly and feel great on the body.
3. Explain that ROMP Riot is splashproof - not waterproof - so it can get wet but can't be fully submerged in water.
4. Mention that ROMP Riot is rechargeable - just plug in the USB cable and rev it up for another use.
5. Demonstrate ROMP Riot's simple one-button controls: long press for 2 seconds to turn the toy on, then click to cycle through the 6 intensity levels and 4 vibration pattern modes. Long press again to turn it off.
