

SONA™ 2 Travel

sonic clitoral massager

LELO

SONA™ 2 Travel is the compact version of our bestseller SONA™ 2, developed to enhance the user's intimate experience with its sleek, discreet, and compact design. It uses LELO's signature SenSonic™ technology to offer powerful sonic wave stimulation to the clitoris for mindblowing satisfaction. SONA™ 2 Travel is the perfect companion for pleasure seekers on their many journeys, allowing easy access to orgasms at all times.

SPECIAL FEATURES

Instead of conventional vibrations, SenSonic™ technology uses sonic pulses that resonate deep into the internal structure of the clitoris for an entirely new sensation. These sonic waves offer a gentle stimulation with various intensities without making direct contact.

12 POWERFUL PLEASURE SETTINGS

SONA™ 2 Travel offers 12 different modes to experience and explore.

COMPACT SIZE & TRAVEL LOCK

Perfect travel companion thanks to its compact size and ability to lock it during transport.

MEDICAL GRADE SILICONE

LELO's classic body-safe silicone design allows for deeply fulfilling and hygienic pleasure.

HOW TO USE:

- Before the first use, charge your SONA™ 2 Travel for 2 hours.
- The interface of your SONA™ 2 Travel may be locked. Hold down **+** and **-** for 3 seconds.
- Press and hold the **(O)** button to turn it on.
- Press the **(O)** button to switch between 12 modes.
- Use the **+** and the **-** buttons to increase or decrease the intensity.
- Press and hold the **(O)** button to turn it off.
